

# SECONDARY WEEKLY

Week 6, Term 2 2020

Back together again #InThisTogether2020

## Maths

In Maths I have been very pleased with the girls in Year 7/8 and Year 9/10, their concentration, progress and results learning their timetables is to be congratulated. They should be very proud of their work. Well done girls. *Mr Nick*

## English

Fabulous work in year 7/8F! Students have been learning about Sustainability and developing their writing skills through persuasive writing. *Miss Foy*

## Mobile Phones

Just a reminder that students can use their phones at recess and lunch but are not to use them during class.

Parents are reminded not to text or phone during class as it is disruptive to the class. If a parent or caregiver needs to contact a student at school as a result of an emergency, they are required to call the school's main office on (08) 8091 5801 and a message will be sent immediately to the student. If a student needs to make emergency contact with anyone they are to do so through the school's main office.

This week Bama, Tuvesi, Peli, Uncle Sunno and Miss Foy joined students in Menindee for a WAP study day. Together we participated in classes with Menindee students, had a lovely meal at the local restaurant, stayed overnight in the vintage train and had a look at the local sights. This was a wonderful success and we hope to do this again soon.
