

# SECONDARY WEEKLY

## Week 8, Term 2 2020

Smile for the camera! It's photo time.

### Attendance

Attendance at school is very important. Missing as little as one day per week is the equivalent of missing 8 weeks of study across a year, which is the equivalent of missing a whole year of school by year 4.

Regular attendance helps social connection with peers, learning, achievement and general wellbeing.

Please make sure your child is coming to school every day. If you have a concern please contact the school.

### WAP interschool visits

Bama, Miss Ferres and Aunty Regina went to Menindee at the beginning of the week to participate in face-to-face lessons. Stage 6 students had pizza on the train for dinner and Bama shared his new drawings on the iPad with the Visual Design class.

### School Photos

On Wednesday 24 June, Flashpoint Labs will be taking school photos; some students might remember the photographer Tom. Please wear your celebration shirt. Families are invited to school at 2pm for a family photo. Photos will be available for purchase next term.
